Elias Eulig

Personal Data

Date of birth September 30, 1995 Place of birth Hanover, Germany Citizenship German

Work

2019	Visiting Student Researcher Stanford University, Stanford, USA in the Department of Radiology under supervision of Dr. Adam Wang working on deep learning-based CT reconstruction for 4D interventional guidance.
2018 - present	Student Researcher German Cancer Research Center (DKFZ), Heidelberg, Germany in the X-Ray Imaging and Computed Tomography group under supervision of Prof. Dr. Marc Kachelrieß with main focus on the development of deep learning-based methods for CT and x-ray imaging applications.
2017 – 2018	Student Researcher Max Planck Institute for Brain Research, Frankfurt, Germany in the Department of Connectomics under supervision of Prof. Dr. Moritz Helmstaedter, working on several deep learning-based methods for connectomics.
2016	Teaching Assistant Ruprecht Karl University, Heidelberg, Germany for physics for medical students at the Heidelberg University School of Medicine.
2013 – 2014	Voluntary Scientific Year Laser-Zentrum-Hanover (LZH), Hanover, Germany in the Laser Development Department working on the MOMA (Mars Organic Molecule Analyser) project under supervision of Dr. Christian Kolleck and Dr. Jörg Neumann.

Education

2017 – present	on Deep Learning-Ai	DKFZ, Heidelberg, Germany & Stanford University, Palo Alto, USA ded CBCT Image Reconstruction for 4D Interventional Guidance in en the Kachelrieß group at the German Cancer Research Center and Stanford University.
2017 – present	M.Sc. in Physics	Ruprecht Karl University, Heidelberg, Germany
2017	Bachelor's Thesis	Max Planck Institute for Brain Research, Frankfurt, Germany
	ties written in the D	nal Fragments using Their Morphological and Synaptological Proper- Department of Connectomics under supervision of Prof. Dr. Moritz of. Dr. Jürgen Hesser.
2014 – 2017	B.Sc. in Physics	Ruprecht Karl University, Heidelberg, Germany
2013	Abitur (A-levels)	Wilhelm-Raabe-Schule, Hanover, Germany
2005 - 2013	Secondary School	Wilhelm-Raabe-Schule, Hanover, Germany

Scholarships & Awards

2020	SPIE Student Travel Grant to present the publication [2] at the SPIE Medical Imaging 2020 in Houston, TX.
2019	Travel Scholarship (PROMOS) of the German Academic Exchange Service (DAAD) for my period of research at Stanford University.
2019	Travel Scholarship of the <i>Society of High Performance Computational Imaging (SHPCI e.V.)</i> for my period of research at Stanford University.
2019	Best Scientific Paper Presentation Award. The conference contribution [5] received the <i>Best Scientific Paper Presentation Award within the topic Artificial Intelligence and Machine Learning</i> of the ECR 2019.
2013	Best Abitur in Physics Award by the Deutsche Physikalische Gesellschaft (DPG).

Languages

French

German	Native proficiency
English	Full professional proficiency (C1 level)

Computer Skills

Proficient with Python, TensorFlow, PyTorch, Matlab and R. Familiar with C++, Mathematica, LabVIEW and SolidWorks.

Elementary proficiency (A2 level)

Extracurricular Activities

Active member of the German Social Democratic Party (SPD) and this party's student group.

Various activities as delegate and official in sessions organised by the European Youth Parliament (EYP).

Heidelberg, January 4, 2020
